Muzinich & Co. invests in Market News International

- Muzinich Private Debt has provided debt financing to real-time financial data provider Market News International (MNI) in a sponsored transaction with private equity firm Tenzing
- The funding will provide MNI with additional firepower to assist support with future investments and bolt on acquisitions.

London, 3 March 2023

Muzinich Private Debt has provided debt financing to support Market News International (“MNI”).

MNI, based in London, is one of the leading providers of real time financial data and market-leading insights to traders and similar professionals through a subscription-based platform. MNI’s subscribers benefit from multi-channel distribution. The content is curated by MNI’s policy reporter and markets team which includes former fixed-income and currency traders and strategists, who all have extensive market experience.

Tenzing supported a management buy-out of the business led by MNI CEO Terry Alexander and Chair Richard Hall in August 2022.

The Muzinich debt facility will provide significant additional firepower to the business and help support future investments and bolt on acquisitions.

James Adams, Director, Muzinich Private Debt “We are delighted to be supporting MNI as they continue to grow and develop their market-leading proposition. We have been extremely impressed with the business and management team and look forward to working with them and Tenzing to help deliver their plan”.

Capital at risk. The value of investments and the income from them may fall as well as rise and is not guaranteed. Investors may not get back the full amount invested.
