Muzinich Funds (the "Trust")
Muzinich Global High Yield Fund (the "Fund")
Notification of post-authorisation updates to the Supplement of the Fund

Dear Unitholder,

Background

We are writing to you as a Unitholder of the Fund to notify you of certain non-material updates to the Prospectus of the Trust and the Supplement in respect of the Fund.

Amendments to the SFDR Annex and the Responsible Investing section of the Supplement

The Fund's ESG policy has changed and as a result, the Responsible Investing section of the Supplement and the SFDR Annex are being amended to: remove exclusions that relate to entities which derive more than 10% of their annual revenues from the extraction of conventional or non-conventional forms of oil and gas; and to reduce the amount by which the Fund's Weighted Average Carbon Intensity must remain below that of its reference index from 40% to 10%.

Furthermore, three ESG scoring restrictions (as set out in the SFDR Annex) are being removed *including* the restriction to only invest in issuers with an ESG score of 40 or lower.

Each of these changes is being made to better align the Company's approach to responsible investment with the majority of the other sub-funds of the Trust. The Investment Manager
